

## **O.B.S. World Book Day April 23<sup>rd</sup> 2012**

The Theme 'Walk in to a Book' was central to this year's celebration of World Book Day. Each classroom door was decorated as a book cover. During the day learning activities focused on that book.

Children and staff dressed up as characters from their book, read to each other and had a lot of fun! Digital animation, model making, cooking and drama are just some of the superb learning activities classes took part in.

There was a 'Bring and Buy' book sale which raised money for a local orphanage. Children were also encouraged to read an Ebook on [www.wegivebooks.org](http://www.wegivebooks.org) which donates a book to charity for every Ebook read.

A fun day was had by all,

Jonathan Bridges

Primary Coordinator for English
